GEORGETOWN AND ITS AFFAIRS.

GEORGETOWN, July 25-12 m GEORGETOWN COLLEGE. - The annual exhibition at this venerated seat of learning came off yesterday, at 4½ o'clock, p. m., in the large exhibition hall, which was decorated in the most beautiful manner with the American ensign, evergreens, mottoes, &c.; and the Philharmonic Society, under the direction of Mr. Dundas, discoursed at intervals some of their sweetest pieces of music.

Long before the time arrived for the exercises to commence, there might be seen coming from every direction perfect crowds of ladie and gentlemen, among whom were many distinguished persons, both from the District and abroad, all anxious to enjoy the rich intellectual feast; and from the commencement to the close, which was about 81 o'clock, the hall was crowded to overflowing. The speaking was excellent, and elicited long and loud applause from the entire audience-indeed, their admiration seemed to be unbounded.

SERIOUS ACCIDENT .- Yesterday a horse belonging to Mr. John Trunnel ran off with a cart attached to him, in which was his little son and the driver. The cart upset and threw the little boy out, and a large box on top of him, which so injured him that he is not expected to recover. The driver had one of his thighs broken and was otherwise injured.

A SINGULAR CIRCUMSTANCE.—In 1841, Mr. J. E. C., a merchant in this town, had in his employ two young men. On a certain occasion ten dollars was missed from the drawer and no satisfactory account could be given of it. One of the young men privately charged the other with stealing it, and gave to the employer some trifling reason for believing so; but in a few days the one who charged the other with the theft disappeared, and nothing has been seen or heard of him since. Yesterday the young man upon whom the theft was charged, while coming from Washington in an omnibus, got land; Edwin F. King, District of Columbia; into conversation with a stranger in whom he thought he recognised his old accuser. After he had been home awhile he concluded to inquire more about the stranger, and went to the store of Mr. C., and asked if such a person had been there, and was informed that he had, and left the following note: "Sir, enclosed you will find ten dollars which I owe you, and the interest from 1841, six dollars. Signed, An honest man." After putting the note on the counter he hurriedly left, and has not been seen since. No news in the flour or grain market, and no

sales of moment. GEORGETOWN.

CHOLERA.

A sure Remedy—a Preventive—a Cure! The following letter is from Mr. Woodward, of St. Louis, to J. N. Harris, esq., New London, Conn., General Wholesale Agent for our PAIN RILLER.

Mr. Woodward is a resident of St. Louis, a gentleman of high respectability, and during the prevalence of the cholera in that city has watched the result of the application of our Pain Killer for this disease, and his testimony can be relied on with the utmost confidence.

PERRY DAVIS & SONS.

can be relied on with the utmost confidence.

PERRY DAYIS & SONS.

J. N. HARRIS, esq.—Dear Sir: You will recollect when I saw you in New London, in January last, my expressing to you my most sanguine expectations that DAYIS'S PAIN KILLER would have a tremendous sale in the West this season, and my anticipations have been more than realized, and the testimony of thousands who have used it has been, that they would not be willing to go to bed at night without it in the house.

On the appearance of the cholera in this city, such was the confidence in the Pain Killer as a remedy, that many who purchased it remarked to me that they had no fears or dread of the cholera as long as they had the Pain Killer by them, and hundreds took it daily as a preventive, for no person can have a derangement of the bowels or diarrhora if they use this medicine daily. This was the security and confidence of hundreds acquainted with it, and when their friends were attacked with the cholera, they would administer this remedy in large quantities internally, and also externally, by bathing and rubbing them with it; and in very case where it has been taken in any of the first stages of this disease it has proved successful. I consider it an infallible remedy. I have not heard of an individual in any family who used the Pain Killer when attacked, but speciliy recovered.

Captain Broadwell, of the steamer Atlantic, a New Orleans packet, informed me that, on one of his trips up the river to this-city, there were upward of seventy cases of cholera on board, and the Pain Killer was used with complete and triumphant success.

The Clerk informed me that he had administered it to persons when cold and in the cramps, and it gave immediate relief; but still it should be given quickly, for when

The Clerk informed me that he had administered it to persons when cold and in the cramps, and it gave immediate relief; but still it should be given quickly, for when the discharge of "rice water" has begun, the hope of life has fled. Should this disease make its appearance among you, as in all probability it will, be not alarmed; you and all others there have the remedy, and I am confident if the Pain Killer is used, not a death by cholera will occur in your eity.

in your city.

If the cholera comes among you watch its progress and If the cholera comes among you watch its progress and the remedy use, and, mark my words, the family who uses the Pain Killer daily will have no diarrheea, no disarrangement of the bowels, and consequently no cholera. If those who are attacked will use the Pain Killer early and thoroughly, they will be saved. This has been the experience of bundreds in this city during the ravages of this dreadful disease.

o send them some.

Now, for your own sake, for my sake, and for the sake Now, for your own sake, for my sake, and the sold suffering thousands, make some arrangements that your agents can be supplied. Increase your manufacture, do something that a suffering world may be relieved from pain, for the time will come when not a family on this continent will be willing to do without it a single day. Respectfully yours,

THE WORLD CANNOT PRODUCE STRONGER EVIDENCE THAN THIS, kindly handed to us by J. Stockarhoe, esq., of the Foundain Hotel, Light street, a gentleman extensively and favorably known. The writer of the letter, Captain Canot, is the brother of the celebrated Physician to Louis Napoleon, President of the French Republic. Numbers of our most respectable citizens will give equally strong testimony in favor of HAMPTON'S VEGETABLE TINCTURE. It is a certain cure for Dyspepsia, Scrofuls, Liver Complaint, &c., and all diseases from impure blood.

Mr. Stockheider of the Foundain Hotel, Light teste 18-16. BALTIMORE, June 4, 1851.

Mr. Stockbridge of the Fountain Hotel, Light str DEAR SIR: Being on the point of leaving the city, I avail myself of a few idle moments to thank

for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vegetable Tincture my confidence is so strong that, in gratitude to the proprietors of said medicine, I beg you to present my respects to them, and induce them to make it more publicly known as a sure Rheumatic cure. Having cailed on me on the 19th of April last, and seen me prostrated on my bed, useless in all my limbs, you can appreciate nearly as well as my-self the prompt relief I received from Dr. Hampton's Tincture, and I am positive had it not been for your strong and forcible recommendations I should still have been in bed.

It is really a pity this specific should not be approved by medical men, and like all patent drugs it should suffer the imputation the public generally give to such preparations. I myself, who was always opposed to a patented specific, took this medicine with reluctance, and without confidence in it, and it was only through your disinterest-

I have only used three bottles, and find that even the deformed parts of my hands are fast returning to their former natural

I am, so far, cured by this Hampton's Vegetable Tincture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well-wisher.

WONDERFUL CURE OF HEREPITARY SCROFULA!

WONDERFUL CURE OF HEREFITARY SCROFULA:
This certificate is from the pen of a gentleman whose
name appears on the journal of Congress—one who is extensively and favorably known:
It affords me pleasure to state that Dr. Jesse Hampton's Tincture has effected a most extraordinary cure of
my slave boy Albert. The patient was three years old,
and had the Scrofula—(his father is scrofulous.) The boy
was a moving mass of sores from head to foot; the upper
ide of the eyes were much swollen, and turned inside out,
exhibiting horrible mattering ulcers, that protruded over
the eye-ball so as to produce blindness. It is strange, yet
true, this child—that I felt resigned to see die as a relief
from suffering—has been restored to health under the
treatment of Dr. Hampton.

LOUISVILLE, March 29, 1851.
We have a large number of certificates from our most
respectable citizens attesting cures made by this celebrated Tincture of most every disease that "flesh is heir to."
After all other remedies have failed, we ask the afflicted
to call on the Agents and get pamphlets with certificates

BLACKWOOD'S MAGAZINE, AND THE

BRITISH QUARTERLY REVIEWS.

BRITISH QUARTERLY REVIEWS.

Owing to the late revolutions and counter-revolutions among the navions of Europe, which have followed each other in such quick succession, and of which "the end is not yet," the leading periodicals of Great Britain have become invested with a degree of interest hitherto unknown. They occupy a middle ground between the hasty, disjointed, and necessarily imperfect records of the newspapers, and the elaborate and ponderous treaties to be furnished by the historian at a future day. Whoever reads these periodicals obtains a correct and connected account of all the important political events of the Old World, as they occur, and learns the various conclusions drawn from them by the leading splitis of the age. The American publishers therefore deem it proper to call renewed attention to the works they publish, and the very low prices at which they are offered to subscribers. The following is their list, viz:

The London Quarterly Review,
The Edinburgh Review, and Blackwoop's Edinburgh Magazing.

In these periodicals are contained the views, moderately though clearly and firmly expressed, of the three greatest parties in England—Tory, Whig, and Radical; "Blackwood" and the "London Quarterly" are Tory, the "Edinburgh Review" Whig, and the "Westminster Review" Liberal. The "North British Review" owe sits establishment to the last great ecclesiastical movement in Scotland, and is not ultra in its views on any one of the grand departments of human knowledge. It was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with Sir David Brewster. Its literary character is of the very highest order. The "Westminster," though reprinted under that title only, is published in England under the title of the "Foreign Quarterly and Westminster," it being in fact a union of the two Reviews formerly published and reprinted under separate titles. It has, therefor

of both, as heretofare issued.

The above Periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals—Blackwood's Magazine being an ex

act fac simils of the Edinburgh edition TERMS:

For any one of the four Reviews, \$3 00 per annum. For any two, do 5 00
For any three, do 7 00
For all four of the Reviews, 8 00
For Blackwood's Magazine, 3 00
For Blackwood and three Reviews, 9 00
For Blackwood and four Reviews, 10 00 Payments to be made in all cases in advance.

Remittances and communications should be always addressed, post paid or franked, to the Publishers LEONARD SCOTT & CO 79 Fulton street, New York. Entrance 54 Gold st.

oock, LL. D., President of Amnerst College, and Fromesor of Geology, Massachusetts.*

Mr. Robert Sears—Dear Sir: I have looked over the entire series of your valuable publications with much interest and profit; and am quite surprised at the amount of literary labor you have performed, and the research it must have cost you to obtain so many fine illustrations, while you have an active superintendence of an extensive business. I am also gratified at the decidedly moral and religious influence which your books will exert, and cannot but hope that they will do much to counteract the effects of that light and immoral literature which deluges the land, and, like the frogs of Egypt, comes up even to the kneading troughs of our kitchens. May you live long to follow your plans.

Respectfully and sincerely, your obliged servant, EDWARD HITCHCOCK.

*The works alluded to as having been examined and recommended, are as follows: A new and popular Pictorial Description of the United States, Pictorial History of the American Revolution, Scenes and Sketches of Continental Europe, Description of Great Britain and Ireland, Pictorial Family Annual, Treasury of Knowledge, Information for the People, The Family Instructor, Pictorial Sunday Book, Bible Biography, Bible History, and second series of The Wonders of the World.

This well known and extensive establishment invites Merchants, Manufacturers, and Bankers, to an investigation of its system, and gratuitous test of its records of the standing and responsibility c: traders in the U. States.

Our increased patronage has enabled us, during the past year, to open offices in Cincinnati, Louisville, St. Louis, and New Orleans; these, in connection with our long established offices in Boston, New York, and Baltimore, enable us to offer facilities and advantages which time and experience alone could accumulate, and which we believe are unequalled.

we are prepared to make collections in any of the States, Territories, Canada, England, Ireland, Scotland, France, Germany, and in any commercial port of the world, and will pay particular attention to old and doubtful debts, in the collection of which class we have extraordinary facilities, and have been unusually successful.

Having full lists and reports of nearly all the Attorneys in the United States, we are at all times prepared to furnish you, gratuitously, the names of good and responsible lawyers in any part of the United States and Canadas.

Connected with our Agency is a Commissioner for nearly all the States, who is enabled to afford every facility and legal form for preparing accounts, &c., for immediate use, thereby avoiding a delay often fatal to the collection of a debt.
